Give a Talk on How to Act in Time to Heart Attack Signs

Use this "talk-in-a-box" for your next talk at a senior center, hospital, church, adult education class, worksite health and safety meeting, or community group. The kit contains everything needed to quickly and easily plan and conduct a compelling 1-hour small group session on heart attack survival. The lesson plan includes talking points, reproducible handouts, 22 overhead masters, and tips on how to organize and publicize. Also included is the 13-minute "Act in Time" video, an integral part of the small group experience.

Order the Act in Time to Heart Attack Signs Small Group Session Kit item #KT-017 for \$12.50 <<http://mail.nhlbi.nih.info/t/2792/508708/39/21/>>.

Lesson Plan on Heart Attack Response Now
<www.eztrackz.com/tracking.aspx?id=273> Small Group Lesson Plan

The award-winning "Act in Time to Heart Attack Signs" Small Group Session Lesson Plan is now available online. Use it for your next talk at a senior center, hospital, church, adult education class, worksite health and safety meeting, or community group.

The plan has won several national awards, including the 2002 Communicator Award of <www.communicator-awards.com> Excellence.

The lesson plan includes:

- * Talking points on how to recognize and respond to a suspected heart attack.
- * Reproducible handouts to increase retention of key information.
- * 22 professionally produced overhead masters or PowerPoint(r) slide show to help you present your talk.
- * Tips on how to plan and publicize your discussion.

Put them together with the companion 13-minute "Act in Time" video (also available at www.nhlbi.nih.gov/actintime/video.htm), and you have everything you need to plan and conduct a 1-hour small group session on heart attack survival.
