

Remembering HMA as Part of Your Legacy

People often desire to make a bequest through their Will or Trust. If you would like to include a gift to Health Ministries Association in your estate, the official bequest language for Community of Christ Health Ministries Association is:

"I give [the sum, percentage, or description of property] to Community of Christ Health Ministries Association (HMA), Independence, Missouri for its general use and purposes. My gift will promote health and wholeness domestically and internationally through health ministries, spirituality, education, and networking."

Members and friends of Community of Christ are invited to benefit from the professional services of Estate and Gift Planning. These services are provided confidentially and at no charge. A representative will help you align your legacy with your values. There is no obligation and nothing to buy. To make an appointment, contact Estate and Gift Planning at epg@cofchrist.org, or call 1-800-884-7526.

If you would like more information about Health Ministries, in order to make a decision about your legacy, feel free to contact the Executive Director of HMA at 816-833-1000, extension 1262 or Health@HMACofChrist.org.
